Few comments by her clients:

Ms Cejovic, I'm speechless. I cannot find the words to thank you. My family is in awe of your talent. I now feel that I have been blessed with golf; (1) I was introduced to the game by my father, (2) I learned the game from Harvey Penick and Jim Flick, (3) I've participated in numerous national championships including The Amateur at St Andrews and (4) now having my portrait done by you. My golf life is almost complete.

Thank you VERY much for such an honor

With sincere gratitude - Jim Moreno

Dear Olivera:

On behalf of the Bush Cup Foundation I wish to thank you for the exceptional and creative artwork you created. This creation was the highlight of the event honoring former President George W. Bush and CBS sports commentator Jim Nantz.

Your creative masterpiece truly captured a very special wish that Jim Nantz wrote about in his book, "[Always By My Side](#)" depicting his "dream five some" of those individuals who were most important and greatly influenced Jim's life and career.

As Jim wrote to me after the presentation, "***the artwork - could barely sleep last night thinking about it. I was in shock when it was presented to me and the more I thought about it the more emotional I get. It instantly became a family heirloom***".

There are no words that would adequately express the creativity, professionalism and the heartfelt appreciation we feel for you and your creation. We look forward to a long term relationship with you and your organization.

With warm regards,

William Denis Fugazy, Jr

Foreword by Mr Peter Dawson for Luxury Olivera GolfArt Book - GREATEST GOLF LEGENDS AND THE WINNERS OF THE OPEN CHAMPIONSHIP :

Foreword by Peter Dawson, Chief Executive The R&A

It is an absolute pleasure for me to introduce Olivera Cejovic's Golf Art. The quality of her drawings is of the highest order and golfers the world over will instantly recognise her subjects.

Golf in her home country of Montenegro is in its infancy, but in Olivera we have discovered a true enthusiast for the game with an outstanding knowledge of its history and traditions.

This is a wonderful collection of drawings which I commend to all lovers of golf.

A handwritten signature in blue ink that reads 'Peter Dawson'.
